RE: Tariff Control No. 47784 – *Application of Community Water Company for a Pass-Through Rate Change*

RECEIVED  
2017 DEC 27 PM 3:33

### NOTICE FINDING THE APPLICATION DEFICIENT, ESTABLISHING DEADLINE FOR OPPORTUNITY TO CURE

This Notice addresses Commission Staff's December 13, 2017 recommendation on sufficiency of Community Water Company's application for pass-through rate change. Commission Staff recommended that the application be found administratively incomplete and deficient. Staff recommended that Community Water cure the deficiencies specified in the December 13, 2017 memorandum of Fred Bednarski, of the Water Utility Regulation Division, and that the effective date of the pass-through rate be suspended until the application is deemed sufficient.

The Commission finds that Community Water's application is administratively incomplete and deficient. The effective date of the pass-through rate is suspended until further notice. On or before January 9, 2018, Community Water shall file supplemental information to cure the deficiencies in the application. Commission Staff shall file a supplemental recommendation no later than February 6, 2018.

Signed at Austin, Texas the 27<sup>th</sup> day of December 2017.
