COMMISSION STAFF'S REQUEST FOR AN EXTENSION

COMES NOW the Staff ("Staff") of the Public Utility Commission of Texas ("Commission"), representing the public interest, and files this request for an extension.

On December 27, 2017, Raywood Water Supply Corporation (Raywood WSC) filed response to Staff's First Request for Information (RFI) contesting membership of certain signatories of the Petition. On December 27, 2017, Staff served a request for information on the Petitioners requesting verification that the disputed signatories are in fact members of Raywood WSC.

Order No. 1, set December 29, 2017, as the deadline for Staff to file comments on the administrative completeness of the Petition. Staff cannot determine whether or not the application is administratively complete until Petitioners have filed a response to Staff's RFI. Petitioners' response is due January 16, 2017. Staff respectfully requests that the Administrative Law Judge (ALJ) extend Staff's deadline to file comments on administrative completeness until January 25, 2017. Staff additionally requests the ALJ grant a similar extension for Staff to file a response to the motion to dismiss contained in Raywood WSC's December 27, 2017 response to Staff's RFIs.

Date: December 28, 2017
