PUC DOCKET NO. 47897**

APPLICATION.

Forest Glen Utility Company has filed an application with the Public Utility Commission (PUC) to amend its tariff and change its rates for sewer Certificate of Convenience and Necessity (CCN) No. 21070 in Medina County. The proposed increase had an effective date of February 1, 2018, which has been suspended by the PUC until December 17, 2018.

CONTESTED CASE HEARING.

A prehearing conference will be convened at **10:00 a.m., on May 18, 2018, at the State Office of Administrative Hearings, 300 West 15th Street, 4th Floor, Austin, Texas.** At the prehearing conference, the parties should be prepared to discuss any procedural matter, including clarification or suspension of effective dates, any pending motions including motions to intervene, any jurisdictional deadlines, the procedural schedule including hearing dates, and any other relevant matter. Persons who attend the prehearing conference must first check in with building security personnel in the building's lobby and be issued visitor badges and should allow sufficient time for the check-in procedure.

Any person who wants to intervene in this case (*i.e.*, participate in this case as a party) shall move to intervene either (1) in a written motion to intervene **filed at the Commission no later than May 16, 2018**; or (2) **orally at the May 18, 2018 preheating conference.** Any filed motion shall refer to SOAH Docket No. 473-18-3008.WS and PUC Docket No. 47897, include the person's contact information, and otherwise comply with the Commission's procedural rules. Previous submission of a protest does not meet the requirement that a person who wants to participate as a party must move to intervene as described above.
