Potranco Ranch Homeowners;

Forest Glen Utility will be raising the base rate for sewer from \$12 to \$35 beginning the 1st of January 2016.

Forest Glen was approved by TCEQ from the beginning, 3 years ago, for a base rate of \$35. The owners of Forest Glen felt that it would be wise to start at a base rate of \$12 until the true expenses of the Utility could be determined. After losing money for 3 years in a row and expenses ballooning out of control, the owners have made the decision to raise the base rate to the originally authorized rate of \$35.

We appreciate your understanding in this matter.

Sincerely,

Harry Hausman
Manager
