**ORDER NO. 7
FINDING NOTICE INSUFFICIENT AND
ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's June 22, 2018, recommendation that the notice provided by Knob Hill Water Utility Corp and Knob Hill Water System, (collectively, applicants) be deemed insufficient.

On April 2, 2018, Commission Staff provided documents for the applicants to use when providing notice. In Order No. 5 issued on May 29, 2018, the administrative law judge (ALJ) required applicants to file signed affidavits that the notice was given along with a copy of the notice sent to the affected parties by May 31, 2018. On June 14, 2018, the applicants provided signed affidavits that the notice was given, however the notice documents used by the applicants were not the documents that were provided by Commission Staff.

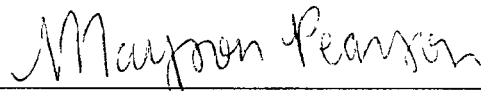

The ALJ finds the notice insufficient and requires the applicants to provide notice of the application and proof of notice in the manner and form described by Commission Staff.

The following amended schedule shall apply:

EVENT	DEADLINE
Deadline for applicants to file with the commission signed affidavits that the notice was given along with a copy of the notice sent to the affected parties and published in a newspaper of general circulation	July 22, 2018
Deadline for Commission Staff to file a recommendation on sufficiency of notice	Within 10 days of applicants filing proof of completed notice with the Commission
Deadline to intervene; deadline for intervenors to request a hearing on the merits	30 days after notice is issued

Signed at Austin, Texas the 27th day of June 2018.
