**ORDER NO. 3
REQUIRING APPLICANT RESPONSE**

This Order addresses Bracero Water Supply Corporation's application for exempt utility registration. On March 9, 2018, Commission Staff recommended that Bracero's application be denied based on the information provided by Andrew Novak, of the Water Utility Regulation Division that Bracero does not meet the criteria of an exempt utility under 16 Texas Administrative Code §24.103. Commission Staff recommended that Bracero file an application to obtain a certificate of convenience and necessity to be able to operate as a retail public utility.

No later than April 6, 2018, Bracero shall file a response to Commission Staff's recommendation or file a motion to withdraw the application.

Signed at Austin, Texas the 26th day of March 2018.
