GRANTING EXTENSION**

This Order addresses the motion for extension of time filed by Commission Staff on March 30, 2020. Commission Staff indicates it is currently finalizing memorandums in support of a final recommendation but needs additional time to prepare all necessary information for inclusion in the memorandums and to file a final recommendation. Commission Staff also states that it is currently working on finalizing a revised joint proposed order with South Central Calhoun County Water Control and Improvement District No. 1 but is currently unable to file a joint proposed order at this time.
