**HMW SPECIAL UTILITY DISTRICT'S
REQUEST FOR EXTENSION OF TIME TO FILE CCN BOUNDARY REVISION
ORDERED BY THE PUC**

Comes now the HMW SPECIAL UTILITY DISTRICT OF HARRIS AND MONTGOMERY COUNTIES ("HMW"), filing its Request for Extension of Time to File CCN Boundary Revision Ordered by the PUC, and states as follows:

I. Procedural Posture

The Public Utility Commission approved the applicant's petition for decertification on March 29, 2018. The PUC's order to that effect was received by HMW on April 2, 2018. Thus, the PUC order requires HMW to file the revised CCN boundary for record in Montgomery County on or before May 2, 2018.

II. Extension Request

HMW requests an extension of time for its deadline to record the revised boundary to 5:00 p.m. on Friday, June 1, 2018, for the following reasons:

1. HMW has previously submitted applications to the PUC to modify its CCN boundaries under Docket Nos. 46727 and 46728 for Harris and Montgomery Counties, respectively.
2. On April 26, 2018, the PUC received HMW's request for final approval by the PUC of its requested CCN boundary changes for Montgomery County, including the change ordered in this proceeding.
3. HMW has not received approval of the proposed changes, and such approval is not expected prior to May 2, 2018, or for several weeks thereafter.

4. HMW's recording of the boundary change in this case should not occur while its approval is pending, along with other proposed boundary changes in Montgomery County, as a part of PUC Docket No. 46728.
5. Accordingly, HMW seeks this extension of time to permit additional time for the PUC to approve all of HMW's proposed CCN boundary changes for Montgomery County, prior to the recording deadline for the single boundary change required by this proceeding.

Wherefore, premises considered, HMW prays that its deadline to record the revised CCN boundary change required by this proceeding be extended to June 1, 2018, and for such other and further relief as the PUC deems just.

Respectfully submitted,
