Re: Docket 47922, Application of Dal-High Water LLC and Monarch Utilities I, L.P. for Sale,  
Transfer, and Merger of Facilities and Certificate Rights in Henderson County

To Whom It May Concern:

This filing is an amendment to our filing of August 8, 2018 in this Docket. In that filing we submitted a copy of the executed Bill of Sale and the Affidavit of Deposit Disbursement as required by Order Number 5, Approving Transaction to Proceed, dated June 15, 2018.

As follow-up to that previous filing, we are again submitting the executed Bill of Sale, this time with the signature of the authorized purchaser's representative. We were advised that the purchaser's signature on the document is required by the PUC.

With this we hope we have supplied all documentation necessary for the Commission staff to make its recommendation, but please contact me if any additional information is needed at this time.

Sincerely,
