PETITION BY TERRA INVESTMENTS, LP TO AMEND MONARCH UTILITIES, LP'S SEWER CERTIFICATE OF CONVENIENCE AND NECESSITY IN MONTGOMERY COUNTY BY EXPEDITED RELEASE	§ § § § § §	PUBLIC UTILITY COMMISSION OF TEXAS
--	----------------------------	---

**COMMISSION STAFF'S MOTION FOR REHEARING TO CORRECT
TYPOGRAPHICAL ERROR**

COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest and files this Commission Staff's Motion for Rehearing to correct a typographical error and would show the following:

I. PROCEDURAL HISTORY

On January 10, 2018, Terra Investments, LP (Terra) filed a petition for an expedited release from Monarch Utilities, LP's (Monarch) Sewer Certificate of Convenience and Necessity (CCN) No. 20899, in Montgomery County. Specifically, Petitioner requested for expedited release is approximately 54.86 acres. On March 1, 2018, Staff issued a final recommendation, attaching the final map and CCN certificate. On March 21, 2018, Commission Advising and Docket Management (CADM) issued a Notice of Approval. Subsequently, Terra informed the Commission that the entity was incorrectly listed on the final map and CCN certificate. Staff now timely files this motion for rehearing of the Notice of Approval under 16 Tex. Admin. Code § 22.35(d) (TAC), 16 TAC § 22.264, and Administrative Procedure Act § 2001.146.

II. REVISED STAFF RECOMMENDATION

On March 1, 2018, Staff recommended approval of Terra's application, and its attached final map and CCN certificate. Staff requests the substitution of the final map and CCN certificate attached to the final recommendation with the documents attached, which list the correct name of the entity. There are no other changes on the attached documents besides correction of the entity name.

III. REQUESTED RELIEF

Staff respectfully requests the reconsideration of the Notice of Approval, and grant Staff's request to substitute the attached final map and CCN certificate for what was filed with Staff's final recommendation, finding that good cause exists to waive the formalities of TAC § 26.111(*I*), based on the facts presented by Staff.

Respectfully Submitted,

**PUBLIC UTILITY COMMISSION OF
TEXAS LEGAL DIVISION**

Public Utility Commission of Texas

By These Presents Be It Known To All That

Monarch Utilities I., LP.

having obtained certification to provide sewer utility service for the convenience and necessity of the public, and it having been determined by this Commission that the public convenience and necessity would in fact be advanced by the provision of such service, Monarch Utilities I., LP. is entitled to this

Certificate of Convenience and Necessity No. 20899

to provide continuous and adequate sewer utility service to that service area or those service areas in Chambers, Grayson, Harris, Henderson, Medina, Montgomery, San Jacinto, Trinity, Wood Counties as by final Order or Orders duly entered by this Commission, which Order or Orders resulting from Docket No. 47940 are on file at the Commission offices in Austin, Texas; and are matters of official record available for public inspection; and be it known further that these presents do evidence the authority and the duty of the Monarch Utilities I., LP., to provide such utility service in accordance with the laws of this State and Rules of this Commission, subject only to any power and responsibility of this Commission to revoke or amend this Certificate in whole or in part upon a subsequent showing that the public convenience and necessity would be better served thereby.

Issued at Austin, Texas, this _____ day of _____ 2018.
