**ORDER NO. 6  
REOPENING THE RECORD AND ADMITTING EVIDENCE**

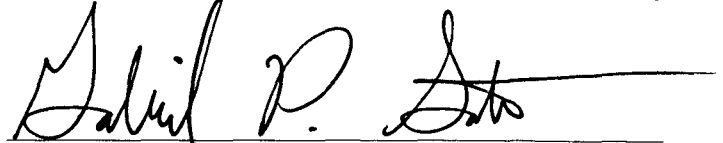

This Order addresses the May 24, 2018, joint response to Order No. 5 and request to reopen the evidentiary record to admit additional evidence filed by Commission Staff and Terra Investments, LP (collectively, parties). Specifically, the parties' filing verifies the proper legal name of the utility, Monarch Utilities I, L.P., referred to in the petition, confirms that all of the notice requirements were satisfied, and confirms the misspelling of the utility's name prejudiced no one.

The administrative law judge grants the parties' request and admits the joint response to Order No. 5, including the items listed below into evidence in the record of this proceeding:

1. Joint Response to Order No. 5 filed by Terra Investments and Commission Staff on May 24, 2018, which includes a certificate of service; an affidavit from an authorized representative of Monarch Utilities I, L.P.; and a USPS certificate of mail delivery confirmation to Monarch of notice of the petition; and
2. Commission Staff's motion for rehearing filed on April 9, 2018, which includes a map with the correct legal name, Monarch Utilities I, L.P.

Signed at Austin, Texas the 31<sup>st</sup> day of May 2018.
