**ORDER NO. 2
GRANTING EXTENSION AND REVISING PROCEDURAL SCHEDULE**

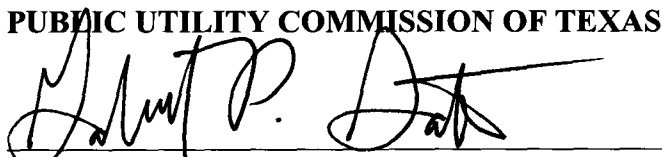

This Order addresses Commission Staff's February 9, 2018, request to extend the deadline, for good cause, to file a recommendation on the administrative completeness of the petition and notice. Commission Staff stated that the notice of the petition published in the *Texas Register* on January 26, 2018 contained an incorrect certificate number. Commission Staff requested that its recommendation on administrative completeness be extended until after the corrected notice can be published.

Consistent with Commission Staff's request, the following revised procedural schedule shall apply:

| | |
|--|-------------------|
| Publication of <i>Texas Register</i> notice | February 23, 2018 |
| Deadline for Monarch Utilities, LP and other affected persons to file a written protest or motion to intervene and file comments on the petition | March 2, 2018 |
| Commission Staff's comments on administrative completeness and notice | March 2, 2018 |

Additional deadlines will be established after the petition is deemed administratively complete.

Signed at Austin, Texas the 12th day of February 2018.
