PUBLIC UTILITY COMMISSION
FILING CLERK
OF TEXAS

ORDER REMANDING TO DOCKET MANAGEMENT

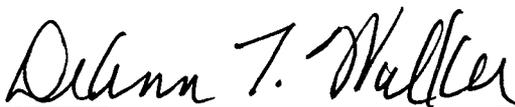

At its April 4, 2019 open meeting, the Commission considered the proposed order and determined that the record does not contain sufficient information for the Commission to fix just and reasonable rates in this appeal, which is required under TWC §13.043 and 16 TAC § 24.101. The proposed order lacks a finding of fact for the district's revenue requirement that justifies the agreed rates. Additionally, the specific rates agreed to are omitted in finding of fact 32 and conclusion of law 6.

The Commission remands this docket to the Office of Policy and Docket Management with instructions to supplement the evidentiary record and prepare a revised proposed order that addresses the specific rates requested to be approved and the associated revenue requirement.

Additionally, before returning the proposed order to the Commission, the Office of Policy and Docket Management is instructed to make corrections to the proposed order as reflected in the Commissioner memorandum filed in this docket on April 3, 2019.

Signed at Austin, Texas the 4th day of April 2019.
