**ORDER NO. 6  
GRANTING REQUEST FOR EXTENSION**

This Order addresses the request for extension of time filed on February 20, 2019. Red River Authority of Texas requests an extension of the deadline to complete the transaction. Red River is awaiting final documentation from the United States Department of Agriculture Farm Services Administration (USDAFSA) in order to finalize execution of a new lease agreement for property that is utilized to operate a pump station related to Northside Water Supply Corporation's system. The documentation from the USDAFSA has been delayed due to the federal government shutdown that ended on January 25, 2019. Red River requests a good cause exception of 16 Texas Administrative Code § 24.239 (o) and an extension of the 180 day deadline to complete the transaction until July 1, 2019.

The administrative law judge grants the request. On or before July 1, 2019, Northside and Red River must complete the transaction.

Signed at Austin, Texas the 21st day of February 2019.
