**ORDER NO. 7
GRANTING AMENDED PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's September 14, 2018, motion to amend the supplemental procedural schedule adopted in Order No. 6.

In Order No. 6 issued August 7, 2018, the administrative law judge (ALJ) granted Commission Staff's motion to amend the procedural schedule and established a deadline for Commission Staff's to provide final maps, certificates, and tariffs to the applicant for review and consent by September 18, 2018. Quadvest has two pending applications (Docket No. 47072 and 47440) to amend its water and sewer certificates of convenience and necessity in Montgomery County. The two pending dockets are being reconciled. Until the tariffs in Quadvest's pending dockets are reconciled, Commission Staff has no current base tariff it can rely upon to implement the revision requested in this application. Therefore, Commission Staff is unable to fulfil the requirement in Order No. 6 mandating a revised tariff for approval.

The ALJ grants Commission Staff's second request to amend the procedural schedule. Commission Staff's amended procedural schedule applies:

Deadline for Commission Staff to provide final maps, certificates, and tariffs (if applicable), to the applicant for review and consent	October 30, 2018
Deadline for the applicant to file signed consent forms with the Commission	November 13, 2018
If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application	November 20, 2018
If no hearing is requested, deadline for parties to file joint proposed findings of fact, including findings that address the factors in Texas Water Code § 13.246(c), and conclusions of law	December 4, 2018

Signed at Austin, Texas the 20th day of September 2018.
