Commission Staff – Legal Division

Re: Tariff Control No. 48051 – *Application of Quadvest, L.P. for a Pass Through Rate Change*

**NOTICE FINDING THE APPLICATION INCOMPLETE AND DEFICIENT;  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Notice addresses Commission Staff's March 1, 2018 recommendation on sufficiency of Quadvest, L.P.'s application for pass-through rate change. Commission Staff recommended that the application be found administratively incomplete and deficient. Staff recommended that Quadvest cure the deficiencies specified in the March 1, 2018 memorandum of Andrew Novak, of the Water Utility Regulation Division, and that the effective date of the pass-through rate be suspended until the application is deemed sufficient.

The Commission finds that Quadvest's application is administratively incomplete and deficient. The effective date of the pass-through rate is suspended until further notice.

No later than April 2, 2018, Quadvest shall file supplemental information to cure the deficiencies in the application, including proof that revised notice was sent to customers. Commission Staff shall file a supplemental recommendation of the sufficiency of the application and notice no later than May 2, 2018. In addition, no later than May 11, 2018, Commission Staff shall provide a copy of the approved tariff page(s) to Quadvest, if the application and notice are deemed sufficient.

Signed at Austin, Texas the 15<sup>th</sup> day of March 2018.
