COMMISSION STAFF’S REQUEST FOR EXTENSION

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this Request for Extension and would show the following:

I. BACKGROUND

On February 13, 2018, DJL Ventures Inc. d/b/a KAP Water Supply (KAP) and SWWC Utilities, Inc. d/b/a Water Services Inc. (SWWC) filed an application for the transfer of service area rights in Comal County. On November 28, 2018, Order No. 6 established two deadlines. First, the deadline for Water Services to file signed consent forms with the Commission was set for January 3, 2019.¹ Second, January 10, 2019 was set for the parties to jointly file detailed, legally sufficient findings of fact and conclusions of law that meet the components of TWC § 13.246 and that support the relief requested (joint filing). Therefore, this pleading is timely filed.

II. REQUEST THAT KAP BE ORDERED TO FILE CONSENT FORMS AND REQUEST FOR AN EXTENSION

Staff respectfully requests that KAP be given a deadline of January 17, 2019 to file consent forms that were emailed to KAP by Commission Staff on December 18, 2018. Additionally, to allow time for KAP to submit its consent form, Staff requests that the deadline to file the joint filing be extended fourteen (14) days from the January 10, 2019 deadline to January 24, 2019.

¹ In *Commission Staff’s Recommendation on Sufficiency of Closing Document*, dated November 15, 2018, Staff inadvertently named only Water Services as needing to file signed consent forms in this matter. It is standard practice for both parties in a transfer of service area rights matter to give consent to the requested change.

III. CONCLUSION

Staff respectfully requests that an order ordering KAP to file consent forms and revising the procedural schedule be granted.

Dated: January 9, 2018
