POLR Ineligibility – Project 48075
BP Energy Company
Certificate Number: 10038

ATTN: Central Records

BP Energy Company (BPEC) is registered as an Option 1 Retail Electric Provider in accordance to the classification system of the Texas Public Utility Commission. As per the regulations set forth by the PUCT in ruling 25.43; BP Energy Company's percentage of retail sales by MWs are less than 1% in each POLR area and BP Energy Company's customers are limited to its own affiliates.

BP Energy Company is therefore ineligible to be designated as a POLR in accordance to the CPUC guidelines for the filing year of April 1, 2017 to March 31, 2018.

Sincerely

A handwritten signature in black ink, appearing to read "Michelle Almazan".
