Subject: Paint Creek WSC Lester Brown 20 meter feasibility

Kendell,

I have completed the referenced feasibility and I cannot recommend serving these 20 meters without making some improvements to your system. In order beginning at the Earles Camp Road and extending to the Brown entrance. We estimate that it will take about 11,000 feet of 3" water line plus valves, etc

Another option to serve these 20 meters would be to lay a 3" water line from FM 618 and serve the meters from the north. However, the length of this 3" is

If you have any questions or if you need more information please let me know

Karla,

Please prepare an invoice for \$2,000 to Paint Creek WSC for the Lester Brown 20 meter feasibility and I will forward it to Kendell
