PUBLIC UTILITY COMMISSION
FILING CLERK

I am writing into the case of Docket number 48133, Christopher Ploe's appeal against Pendleton Water Commission.

I have gone to a board meeting with Pendleton Water Co. and they reviewed the papers from the Engineer and realized they were over capacity on the water line. They have agreed to replace the line and supply my family with a new meter and water. I would like to drop all actions for this appeal.

Thank you for your help with this matter.

Christopher Ploe
