Re: Docket No. 48133 – Christopher Ploe’s appeal of the cost of obtaining service from  
Pendleton Water Supply Corporation in Bell County

To Whom It May Concern:

Upon being made fully aware of the area in question being out of compliance in the number of meters and line size, Pendleton Water Supply Corporation board of directors at the March 13, 2018 monthly meeting approved a motion to make the corrections necessary to bring the area into compliance. This will allow the Ploe’s to obtain service as a standard installation.

If you should need further information, please advise.

Respectfully submitted
