PUBLIC UTILITY COMMISSION  
FILING CLERK

**ORDER NO. 4  
FINDING THE APPLICATION INCOMPLETE AND DEFICIENT;  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses Commission Staff's August 2, 2018, recommendation that the City of La Grulla's application is not administratively complete because it contains a deficiency in the application content.

Consistent with Commission Staff's recommendation, the application is incomplete and deficient. La Grulla failed to respond to Order No. 3 requiring additional information. Commission Staff noted that a motion to dismiss may be filed if La Grulla fails to file the required information. Under 16 Texas Administrative Code § 24.8(d), an application is not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission.

On or before September 10, 2018, La Grulla shall supplement the application to cure the deficiencies described by Commission Staff. Processing of the application cannot proceed until the Commission receives and reviews the requested items. La Grulla shall not issue notice until the application is administratively complete.

On or before October 10, 2018, Commission Staff shall file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Signed at Austin Texas the 3rd day of August 2018.
