RE: Project No. 48189 - *Application of Taylor Consulting and Contracting LLC dba TaylorCC, LLC for Aggregator Registration*

RECOMMENDATION

On March 21, 2018, Taylor Consulting and Contracting LLC (TaylorCC or the Company) filed an application for registration as an aggregator pursuant to 16 Texas Administrative Code (TAC) § 25.111. The Company stated in its application that it is seeking registration as a Class I aggregator that aggregates private customers to buy electricity from retail electric providers (REPs) under 16 TAC § 25.111(c)(2)(A).

Pursuant to 16 TAC § 25.111 (f)(1)(C), a person seeking to register as a Class I, Class II.A or Class II.D aggregator must provide the name, title, business address, and phone number of each of the registering party's directors, officers, or partners. TaylorCC is compliant with 16 TAC § 25.111(f)(1) because the Company provided all the required information in its application.

After a review of TaylorCC's application, Staff concludes that TaylorCC has satisfactorily completed the application for registration as an aggregator and recommends that Taylor Consulting and Contracting LLC's application be approved.
