Re: Tariff Control No. 48244 – *Application of Johnston Water Utility, LLC for a Pass-Through Rate Change*

NOTICE OF APPROVAL

This Notice addresses Johnston Water Utility, LLC's (Johnston) application for a pass-through rate change due to an increase in well pumpage fees imposed on the utility by the North Harris County Regional Water Authority (NHCRWA). NHCRWA's increased the fee from \$2.90 per thousand gallons to \$3.40 effective April 1, 2018. Johnston requests approval to increase the current pass-through charge of \$3.06 to \$3.57 for the Powder Mill Estates subdivision, and from \$3.36 to \$3.91 for the Oaks of Rosehill subdivision.

On July 5, 2018, Commission Staff recommended that the administrative law judge (ALJ) deem the application and revised notice sufficient. The ALJ deems the application and revised notice sufficient.

Commission Staff recommends the Commission approve a pass-through gallonage rate of \$3.57 per 1,000 gallons for the Powder Mill Estates subdivision and \$3.91 per 1,000 gallons for the Oaks of Rosehill subdivision.

The Commission approves Johnston's application and a pass-through rate of \$3.57 per 1,000 gallons for the Powder Mill Estates subdivision and \$3.91 per 1,000 gallons for the Oaks of Rosehill subdivision. The revised tariff pages provided by Commission Staff are attached to this Notice.
