First notice

Dear CLWSC Customer:

SJWTX, Inc., doing business as Canyon Lake Water Service Company (CLWSC) is pleased to notify you that it has sought approval from the Public Utility Commission of Texas (PUC), under Docket No. 48245, and from the City of Bulverde, which is the only municipality with original ratemaking jurisdiction over CLWSC, to implement a Federal Tax Change Credit (FTCC) effective for bills rendered on or after May 1, 2018. The May water bills will include an additional one-time credit for the accumulated FTCC from January 25 through April 30, 2018, added to the May monthly FTCC. Thereafter the water bills will include a monthly FTCC amount. The FTCC will immediately lower your monthly bills and will be reflected as a new line item on the utility bills until further notice.

CLWSC has developed the FTCC as the most expeditious way to return to the customers the savings resulting from the federal Tax Cuts and Jobs Act of 2017 (TCJA) corporate income tax rate reduction. The credit will have two components: (1) a volumetric credit of \$0.37 per 1,000 gallons of water usage on retail water bills; and (2) a base rate credit of \$2.50 per meter equivalent (ME), with a 5/8 inch meter equal to 1 ME. While the FTCC remains subject to final regulatory authority approval, CLWSC's proposal includes the immediate implementation of the FTCC to benefit our customers without delay.

The FTCC will apply within CLWSC's service area for water bills rendered on or after May 1, 2018.

Please call CLWSC at 830-312-4600 if you have any questions about the Federal Tax Change Credit.

Thank you for the opportunity to serve you.

Sincerely,

Canyon Lake Water Service Company
