Re: Tariff Control No. 48307 – *Application of Undine Texas, LLC for a Pass-Through Rate Change*

**NOTICE DOCKETING PROCEEDING**

This notice addresses the application of Undine Texas to pass-through a rate increase of \$5.28 per thousand gallons to Undine Texas' customers.

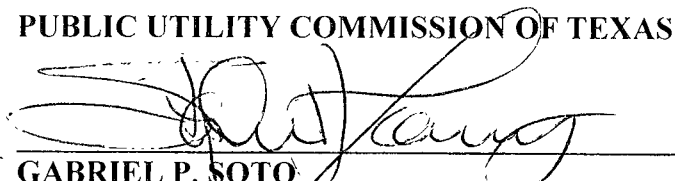

On May 25, 2018, the administrative law judge issued a Notice of Approval using Commission Staff's recommendation that the Commission set the rate at \$4.00 per 1,000 gallons. Undine did not include justification for a line loss recovery greater than 15% in its application. A pass-through gallonage rate of \$4.00 per thousand gallons was approved.

On June 5, 2018, Undine filed suggested corrections to the Notice of Approval under 16 Texas Administrative Code (TAC) § 22.35(c)(1). Commission Staff reviewed the facts and arguments asserted by Undine and amended its final disposition recommendation on June 12, 2018, approving Undine's originally-requested rate of \$5.28 per 1,000 gallons, which incorporates recovery for 35.6% line loss.

In accordance with 16 TAC § 22.33(b) this tariff is hereby docketed.

Signed at Austin, Texas the 2<sup>nd</sup> day of July 2018.
