RE: Tariff Control No. 48323– *Application of Quadvest, L.P., for a Minor Tariff Change*

GRANTING MOTION TO ABATE

This Order addresses Quadvest, L.P.'s January 10, 2019, motion to abate this proceeding. Quadvest determined that the tariffs that were filed on December 21, 2018, as part of the original joint motion to admit evidence and proposed notice of approval and the supplemental motion filed on January 4, 2019, contained certain errors or omissions, which Quadvest is working with Commission Staff to reconcile no later than January 18, 2019. Quadvest requests that no final decision be made in this docket until the parties have had an opportunity to file a motion placing the correct tariffs into the record. Quadvest anticipates filing the motion no later than January 21, 2019.

The administrative law judge grants the motion to abate this proceeding pending final approval until the parties file a motion placing the correct tariffs into the record.

Signed at Austin, Texas the 17th day of January 2019.
