PUBLIC UTILITY COMMISSION
CLERK

Notice is given to the public of the filing with the Public Utility Commission of Texas (commission) of an application to decertify a portion of a water and a sewer certificate of convenience and necessity (CCN) in El Paso County.

Docket Style and Number: Application of El Paso Water Utilities Public Service Board to Decertify a Portion of Its Water Certificate of Convenience and Necessity in El Paso County, Docket Number 48328.

The Application: On May 1, 2018, El Paso Water Utilities Public Service Board filed an application to decertify a portion of water certificate of convenience and necessity (CCN) No. 10211 and sewer CCN No. 21008 in El Paso County. A portion of the certificated area is not near any of EPWU's existing utility infrastructure and does not have utility service in such area. Therefore, EPWU is requesting to decertify a portion of area from its water and sewer CCN Nos in order for Horizon Regional Municipal District (HRMUD) to extend water and sewer services to such area. The total service area affected includes approximately 342 acres of the water service area and 487 acres of the sewer service area and 0 current customers.

Persons wishing to intervene or comment on the action sought should contact the commission by mail at P. O. Box 13326, Austin, Texas 78711-3326, or by phone at (512) 936-7120 or toll-free at (888) 782-8477. A deadline for intervention in this proceeding will be established. Hearing and speech-impaired individuals with text telephone (TTY) may contact the commission through Relay Texas by dialing 7-1-1. All comments should reference Docket Number 48328.
