ADDRESSING SUFFICIENCY OF APPLICATION AND NOTICE
AND ESTABLISHING PROCEDURAL SCHEDULE**

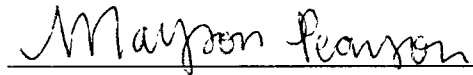

This Order addresses Commission Staff's May 23, 2018 recommendation regarding administrative completeness of the application and proposed notice of El Paso Water Utilities Public Service Board (EPWU). Commission Staff recommended the administrative law judge find the application administratively complete and require EPWU to provide notice, a map with each notice, and file signed affidavits attesting that notice was issued, listing each entity and person to whom notice was issued, along with a copy of the actual notice and map, within 30 days of the date of notice and the last publication date. Commission Staff also proposed a procedural schedule for continued processing of this application.

The application is administratively complete. EPWU shall provide notice of the application as described in Commission Staff's recommendation using the included forms. The proposed procedural schedule is adopted as follows:

Deadline for EPWU to file with the Commission signed affidavits affirming that the notice was issued by mail and publication, along with a copy of the notice and map sent to the affected parties and published in a newspaper of general circulation	July 13, 2018
Deadline for Commission Staff to file a recommendation on sufficiency of notice	July 27, 2018
Deadline to intervene	30 days after notice is issued

Signed at Austin, Texas the 29th day of May 2018.
