**ORDER NO. 13**  
**FINDING NOTICE INSUFFICIENT AND ESTABLISHING OPPORTUNITY TO CURE**

This Order addresses Commission Staff's November 19, 2019, recommendation on the sufficiency on Gum Island Utility's revised notice of proposed rate change.

The administrative law judge (ALJ) finds the revised notice insufficient for the reasons outlined in Commission Staff's recommendation. The ALJ directs Commission Staff to confer with and assist Gum Island regarding the proper form to use, which entities must receive notice, and what information the affidavit must contain.

On or before January 10, 2020, Gum Island must cure the deficiencies in the notice. Further, Commission Staff must include its recommendation on the revised notice with the update on the status of the STM application related to this docket that is to be filed on or before January 25, 2020.

Signed at Austin, Texas the 21<sup>st</sup> day of November 2019.
