SOAH ORDER NO. 9  
REQUIRING STATUS UPDATE

On September 9, 2019, the City of Dayton (the City) filed a Status Report, asserting that it is the City's understanding that the staff (Staff) of the Public Utility Commission of Texas (Commission) is reviewing the City's response to Staff's Second Request for Information, which will influence Staff's decision regarding whether to remand this proceeding to the Commission for final processing and approval.

The parties shall file, *no later than October 9, 2019*, either a motion to remand this proceeding to the Commission for final processing or a status update advising the Administrative Law Judge of the status of the case.
