SOAH ORDER NO. 11
REQUIRING STATUS UPDATE

On November 21, 2019, the City of Dayton (the City) filed a Status Update, asserting that it continues to cooperatively work with the staff (Staff) of the Public Utility Commission of Texas to address the remaining issues in this proceeding. The City indicated that it anticipates receiving additional requests for information from Staff so that the City can provide the remaining information needed by Staff to ultimately approve the application. The City also indicated that Staff does not oppose the City's status update.

The parties shall file, *no later than January 3, 2020*, either a motion to remand this proceeding to the Commission for final processing or a status update advising the Administrative Law Judge of the status of the case.

SIGNED December 4, 2019.
