#### **PUC DOCKET NO. 48350**

APPLICATION OF THE CITY OF DAYTON FOR CERTIFICATES OF CONVENIENCE AND NECESSITY IN LIBERTY AND HARRIS COUNTIES

BEFORE THE-5 FI S: 00 PUBLIC UTILITY COMMISSION

**OF TEXAS** 

#### CITY OF DAYTON'S THIRD SUPPLEMENT TO AMENDED APPLICATION

999999

COMES NOW, the City Dayton (the "City"), by and through its undersigned attorneys of record, and files this "Third Supplement to Amended Application" ("Supplement"). In support thereof, the City would show as follows:

#### I. BACKGROUND

On May 8, 2018, the City filed with the Public Utility Commission of Texas (the "Commission") its application to obtain water and sewer Certificates of Convenience and Necessity (each, a "CCN") in Liberty and Harris Counties pursuant to Chapter 13, Subchapter G of the Texas Water Code ("TWC") and Chapter 24, Subchapter H of Title 16 of the Texas Administrative Code ("TAC"). The City filed an Application Amendment on May 10, 2019; a First Supplement to Amended Application on July 27, 2020; and a Second Supplement to Amended Application on November 30, 2020 (the application, as amended and supplemented, is the "Application"). The water and sewer CCN service area originally requested included approximately 80,045 acres, but has since been reduced to approximately 14,885.5 acres (based on the State Plane Zone – Texas Central – (feet) shapefile provided with this Supplement (FinalRegDayton SPC.zip)).

Notice of the Application was mailed to neighboring systems, landowners, customers, and cities on June 18, 2018; and deemed sufficient by the Administrative Law Judge ("ALJ") on August 13, 2018. In response to that notice, the Commission received

more than 45 public comments, motions to intervene, and/or requests to exclude property from the CCN service areas sought by the City (each request to exclude property is referred to herein as an "*Opt-Out Request*"). A total of 38 separate Opt-Out Requests were filed in this docket, many concerning properties now located outside of the reduced requested area, and twenty of which fail to meet the requirements of TWC § 13.246(h) and 16 TAC § 24.227(i) (each, a "*Noncompliant Opt-Out Request*").

Nevertheless, in order to demonstrate the proper accommodation of all 38 Opt-Out Requests, the City submitted revised maps and digital data on December 20, 2018, which were deemed sufficient on February 5, 2019. Following the issuance of Order No. 9, deeming the supplemental mapping sufficient, however, Staff propounded a First and Second Request for Information (each, an "*RFT*") on the City, both requesting that it provide additional mapping information, and the City has been working diligently and cooperatively to accommodate further Staff requests for supplemental mapping materials since that time.

By March 2020, however, the City had used its best efforts and exhausted all resources available to it in attempting to produce satisfactory mapping materials. Seeing no other means to resolve Staff's mapping concerns with finality, the City made an unprecedented offer to mail additional, supplemental notice of the Application to landowners who submitted Noncompliant Opt-Out Requests, thereby affording such landowners an extra opportunity—neither contemplated nor required by the applicable law or regulations—to submit Opt-Out Requests conforming to the regulatory requirements. Staff promptly accepted the City's proposal and, on March 24, 2020, at a considerable cost in both time and money, the City mailed supplemental notice of the Application to each landowner who had submitted a Noncompliant Opt-Out Request.

Over the months that followed, the City received responses from 15 of the 20 Noncompliant Opt-Out Requestors, each giving written and/or verbal confirmation or clarification as to the individual tracts of land that they had intended to designate in their respective Opt-Out Requests. The other five landowners did not provide a response. Although the City could have disregarded these remaining Noncompliant Opt-Out Requests, leaving the relevant properties within the requested CCN service area, it has gone to extreme lengths to accommodate all of the Opt-Out Requests filed in this docket. The City most recently submitted additional mapping information on November 30, 2020, but Staff recommended that those supplemental materials be deemed deficient. On February 8, 2021, the ALJ issued Order No. 18, adopting that recommendation and establishing a deadline for the City to provide the additional materials and information requested in an internal Commission memorandum filed by Staff ("Memo"). As extended by Order No. 19, that deadline is April 5, 2021. Therefore, this Supplement is timely filed.

#### II. SUPPLEMENT TO AMENDED APPLICATION

The City hereby supplements its Application with the following additional information, documentation, and mapping content responsive to the requests in the Memo as well as those subsequently communicated by Staff (each, a "*Request*"):

- Request No. 1: Updated digital mapping data for the requested area provided in a polygon shapefile (SHP) format, georeferenced in NAD 83 Texas Statewide Mapping System (Meters), and depicting the removal of the following items from the requested area:
  - a) The settlement tracts agreed upon with Aqua Texas, Inc;
  - b) All individual parcels comprising every tract of land identified in each Opt-Out Request, including the Noncompliant Opt-Out Requests, whether or not such parcels are located within the reduced requested area;
  - c) The gap between the requested area and the boundary of

Woodland Hills Water, LLC's service area; and

d) Any area that does not align with the City's corporate boundaries, as depicted by the mapping information filed on November 30, 2020.

Response:

See the CD-ROM included as <u>Attachment A</u>, attached hereto and incorporated herein for all purposes.

Request No. 2:

Digital mapping data depicting the removal of an amount of acreage for each Opt-Out Request that is the same as that listed for the Opt-Out Request on the Opt-Out Request spreadsheet prepared in coordination with Staff.

Response:

See the CD-ROM included as <u>Attachment A</u>, attached hereto and incorporated herein for all purposes.

Request No. 3:

Updated Opt-Out Request spreadsheet.

Response:

See the updated Opt-Out Request spreadsheet included as <u>Attachment</u> **B**, attached hereto and incorporated herein for all purposes.

Request No. 4:

Hardcopy map identifying the reduced requested area after removing all individual parcels comprising every tract of land subject to each Opt-Out Request, including Noncompliant Opt-Out Requests, whether or not such parcels are located within the reduced requested area.

**Response:** 

See the "Requested Area" map included in <u>Attachment C</u>, attached hereto and incorporated herein for all purposes, which depicts the entire CCN service area requested by the City, including the southernmost portion thereof, which was mistakenly left off of the maps submitted with the City's Second Supplement to Amended Application.

Request No. 5:

Hardcopy map identifying every individual parcel of land contained within every property subject to each Opt-Out Request, including Noncompliant Opt-Out Requests, whether or not such parcels are located within the reduced requested area.

Response:

See the "Landowner Opt-Outs" map included in <u>Attachment D</u>, attached hereto and incorporated herein for all purposes, which depicts all parcels comprising every tract of land subject to each Opt-Out Request, including those located in the southernmost portion of the

requested area, which were mistakenly left off of the maps submitted with the City's Second Supplement to Amended Application.

Request No. 6:

Correspondence from River Ranch Holdings, LLC (Interchange Item Nos. 13, 22, 24); Daniel and Lisa Simnacher (Interchange Item Nos. 32, 33); and Keith and Connie Fitzhenry (Interchange Item Nos. 47) indicating their approval of the mapping data used by the City.

Response:

Commission Staff requested that all mapping related to the Opt-Out Requests be prepared using data from only one source, and the City has relied upon that of the Liberty County Central Appraisal District ("LCAD"). While the maps prepared using the LCAD data for the properties subject to the above-referenced Opt-Out Requests depict the same area as maps prepared using the metes and bounds provided with the Opt-Out Requests, the LCAD data for said properties contains clerical errors, reporting acreage amounts that are different from those determinable from the Opt-Out Request documentation.

Given those reporting errors, Staff requested that the City provide the above-listed landowners with an opportunity to review the "Landowner Opt-Outs" map included in <u>Attachment D</u> to confirm that it correctly depicts the removal of the properties subject to their respective Opt-Out Request. The City's additional notice to those landowners and their responses thereto are included as <u>Attachment E</u>, attached hereto and incorporated herein for all purposes.

#### III. CONCLUSION

The City of Dayton respectfully requests that the Commission approve its Application, as supplemented hereby, and grant all other and further relief to which it may be entitled.

Respectfully submitted,

### LLOYD GOSSELINK ROCHELLE & TOWNSEND, P.C.

Subject: Landowner Opt Out of the City of Dayton CCN

River Ranch Holdings, LLC P.O. Box 638 Baytown, TX 77522 713-899-4949

Mr. Gray,

I'm contacting you in reference to the opt-out submittal for the City of Dayton's CCN for River Ranch Holdings, LLC. There is a discrepancy between the acreage stated in the deed you provided as 6957.09 acres when compared to 6915.79 acres we obtained from Liberty County's Central Appraisal District (LCAD) mapping data for the River Ranch Holdings, LLC property.

We are asking for permission to use the LCAD mapping data and acreage for the River Ranch Holdings, LLC property as shown on the attached map. Please review the map including 6915.79 acres attached to this email. Then, email me back that either the property is correctly shown on the attached map or reject the LCAD mapping of your property as we have it shown for your opt-out request. I have marked around the property in blue. This map also shows all of the landowner opt-outs in magenta that were received in PUC docket 48350.

Thank you for your time and help.

Mr. Daniel Simnacher and Ms. Lisa Simnacher,

Good afternoon. I'm contacting you to make sure that you received my email last Friday afternoon with information about the City of Dayton CCN Opt Out. If not, please let me know and I will email it to you again.

I need to have this back in the hands of the Public Utility Commission of Texas in a couple of weeks, so I hope to hear from you soon, while realizing you need time to review the information. If you have any questions at all, please feel free to contact me via email or the phone number below.

Thank you,

Cheryl Schroeder

Thank you for helping get your email address correct! Below is what I sent previously.

Cheryl Schroeder

Daniel Simnacher Exempt Lifetime Trust P.O. Box 6384 Kingwood, TX 77325

Lisa Simnacher Exempt Lifetime Trust 5615 Palisades Falls Trail Kingwood, TX 77345

Mr. Daniel Simnacher and Ms. Lisa Simnacher,

I'm contacting you in reference to the opt-out submittal for the City of Dayton's CCN for the Exempt Lifetime Trusts under your names. There is a discrepancy between the acreage stated in the deed provided as 3747.519 acres when compared to 3799.0361 acres we obtained from Liberty County's Central Appraisal District (LCAD) mapping data for the Simnacher Trust property.

We are asking for permission to use the LCAD mapping and acreage of Simnacher Trust property as shown on the attached map. Please review the map including 3799.0361 acres attached to this email. Then, email me back that either the property is correctly shown on the attached map or reject the LCAD mapping of your property as we have it shown for your opt-out request. I have marked around the property in blue. This map shows all of the landowner opt-outs in magenta that were received in PUC docket 48350.

Thank you for your time and help.

**Subject:** Landowner Opt Out of the City of Dayton CCN

Attachments: Landowner OptOuts-Fitzhenry\_pdf

Mr. Keith Fitzhenry 4125 FM 1409 Dayton, TX 77535 713-248-7658 - cell

Mr. Fitzhenry,

I'm contacting you in reference to your opt-out submittal for the City of Dayton's CCN. There is a discrepancy between the acreage stated in the deeds provided as 85.45 total acres when compared to 45 acres we obtained from Liberty County Central Appraisal District's (LCAD) mapping data for the Fitzhenry property. It appears that the same LCAD information associated with the 10 acres sold to Kristina Malatinski is also associated with the 50.45 acre tract you own, making the total acreage shown on LCAD for your property to opt-out being only 45 acres instead of 85.45 acres.

We are asking permission to use the LCAD mapping data and acreage information for the Fitzhenry property as shown on the attached map. Please review the map including 45 acres attached to this email. Then, email me back that either the property is correctly shown on the attached map or reject the LCAD mapping of your property as we have it shown for your opt-out request. I have marked around the property in blue. This map shows all of the landowner opt-outs in magenta that were received in PUC docket 48350.

Thank you for your time and help.
