DOCKET NO. 48350

APPLICATION OF THE CITY OF DAYTON FOR  
CERTIFICATES OF CONVENIENCE AND  
NECESSITY IN LIBERTY AND HARRIS COUNTIES

§  
§  
§

BEFORE THE PUBLIC UTILITY  
COMMISSION OF TEXAS

RECEIVED  
2019 JAN 17 AM 9:55  
PUBLIC UTILITY COMMISSION  
FILING CLERK

WITHDRAWAL OF MOTION TO INTERVENE  
OF  
RIVER RANCH MUNICIPAL UTILITY DISTRICTS NO. 2, 3, 4, 5, 6, 7, 13, 14 AND 15

COME NOW River Ranch Municipal Utility District No. 2 ("RR MUD 2"), River Ranch Municipal Utility District No. 3 ("RR MUD 3"), River Ranch Municipal Utility District No. 4 ("RR MUD 4"), River Ranch Municipal Utility District No. 5 ("RR MUD 5"), River Ranch Municipal Utility District No. 6 ("RR MUD 6"), River Ranch Municipal Utility District No. 7 ("RR MUD 7"), River Ranch Municipal Utility District No. 13 ("RR MUD 13"), River Ranch Municipal Utility District No. 14 ("RR MUD 14"), and River Ranch Municipal Utility District No. 15 ("RR MUD 15") (collectively, "the RR MUDs"), and file this Withdrawal of Motion to Intervene in the above-referenced proceeding involving the water and sewer CCN application ("Application") by the City of Dayton, Texas ("Dayton"), and in support thereof show as follows:

The RR MUDs filed their Motion to Intervene and Request for Hearing ("Motion") on August 20, 2018. When the Motion was filed, portions of the RR MUDs were located within the water and sewer CCN area proposed by Dayton in its Application. The RR MUDs sought amendment of the area proposed to be certificated by Dayton in order to remove all property within the boundaries of the RR MUDs from the area Dayton sought to be certificated. The Motion also asserted limited deficiency in Dayton's provision of notice of the Application.

Since the Motion was filed, Dayton has amended the proposed boundaries of its water and sewer CCN area, and as a result the CCN area no longer covers any portions of the RR MUDs.

Given the above, the RR MUDs withdraw their Motion and furthermore no longer assert their claim of limited notice deficiency nor request a hearing on the Application.
