In re: Docket No. 48350; Application of the City of Dayton
for Certificates of Convenience and Necessity in
Liberty and Harris Counties

Dear Sir/Madam:

Woodland Hills Water, LLC ("Woodland Hills") holds Certificate of Convenience and Necessity No. 12388 which gives it the right to provide water service in areas in Liberty and Montgomery Counties. It has previously filed a Notice of Protest and Motion to Intervene in the above proceeding.

Now that the City of Dayton has filed an Amended Application limiting its proposed CCN to be city boundaries thereby eliminating any conflict with Woodland Hills, Woodland Hills has determined that it will not seek a hearing on the application and withdraws its Motion to Intervene and public hearing.

Very truly yours,

John D. Stover
