**ORDER NO. 2**

**FINDING THE PETITION ADMINISTRATIVELY INCOMPLETE AND DEFICIENT;  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses Commission Staff's June 28, 2018, recommendation on the petition by Stoecker Corporation to amend the City of Cut and Shoot's certificate of convenience and necessity in Montgomery County by expedited release.

In Order No. 1 issued on June 5, 2018, the administrative law judge (ALJ) required Commission Staff to file comments on the administrative completeness of the petition and notice. Also to address whether the style of the case should be revised to reflect that Cut and Shoot is an incorporated city.

Commission Staff recommends the ALJ find the petition administratively incomplete and notice deficient. The Commission Staff also recommends to change the style of the Docket to reflect that Cut and Shoot is an incorporated city.

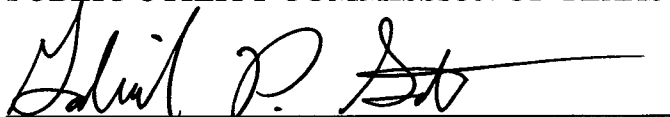

On or before July 9, 2018, Stoecker shall supplement the application to cure the deficiencies described by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed. Notice shall not be issued until the application is administratively complete.

On or before July 13, 2018, Commission Staff shall file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.
