CERTIFICATE OF CONVENIENCE	§	
AND NECESSITY IN JOHNSON	§	OF TEXAS
COUNTY	§	

ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVE INCOMPLETE AND DEFICIENT;
AND ESTABLISHING AN OPPORTUNITY TO CURE

This Order addresses Commission Staff's recommendation filed on June 28, 2018, on the administrative completeness of the application filed by Crest Water. Commission Staff recommends that the administrative law judge find the application deficient and provide Crest Water Company an opportunity to cure the deficiencies provided in the recommendation.

The administrative law judge finds that the application is incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider applications filed until it makes a determination of administrative completeness; thus, at this time the application is not considered filed with the Commission.
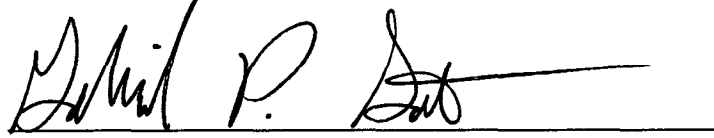

On July 2, 2018, Crest Water Company submitted a response to Order No. 1 and supplemental information in response to cure the deficiencies described by Commission Staff. Crest Water Company may further add any supplement to the application on or before July 30, 2018, to cure the deficiencies described by Commission Staff, if necessary.

Until the Commission receives and reviews the supplemental information, the application cannot proceed. Crest Water Company shall not issue notice until the application is administratively complete.

On or before August 28, 2018, Commission Staff shall file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the ___9-TH___ day of July 2018.
