Date Notice Mailed: Aug 27, 2018

City of Celina filed an application with the Public Utility Commission of Texas to amend its sewer CCN No. 20764 in Collin County, Texas.

The requested area is located approximately .75 miles north, east, and south of downtown Celina, Texas, and is generally bounded on the north by Collin and Grayson county line; on the east by Honey Creek; on the south by Frontier Parkway; and on the west by Collin and Denton county line. The total area for the sewer utility service being requested includes approximately 28,806 total acres of land and 0 current customers. **See enclosed map of the proposed service area.**

*Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.*

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

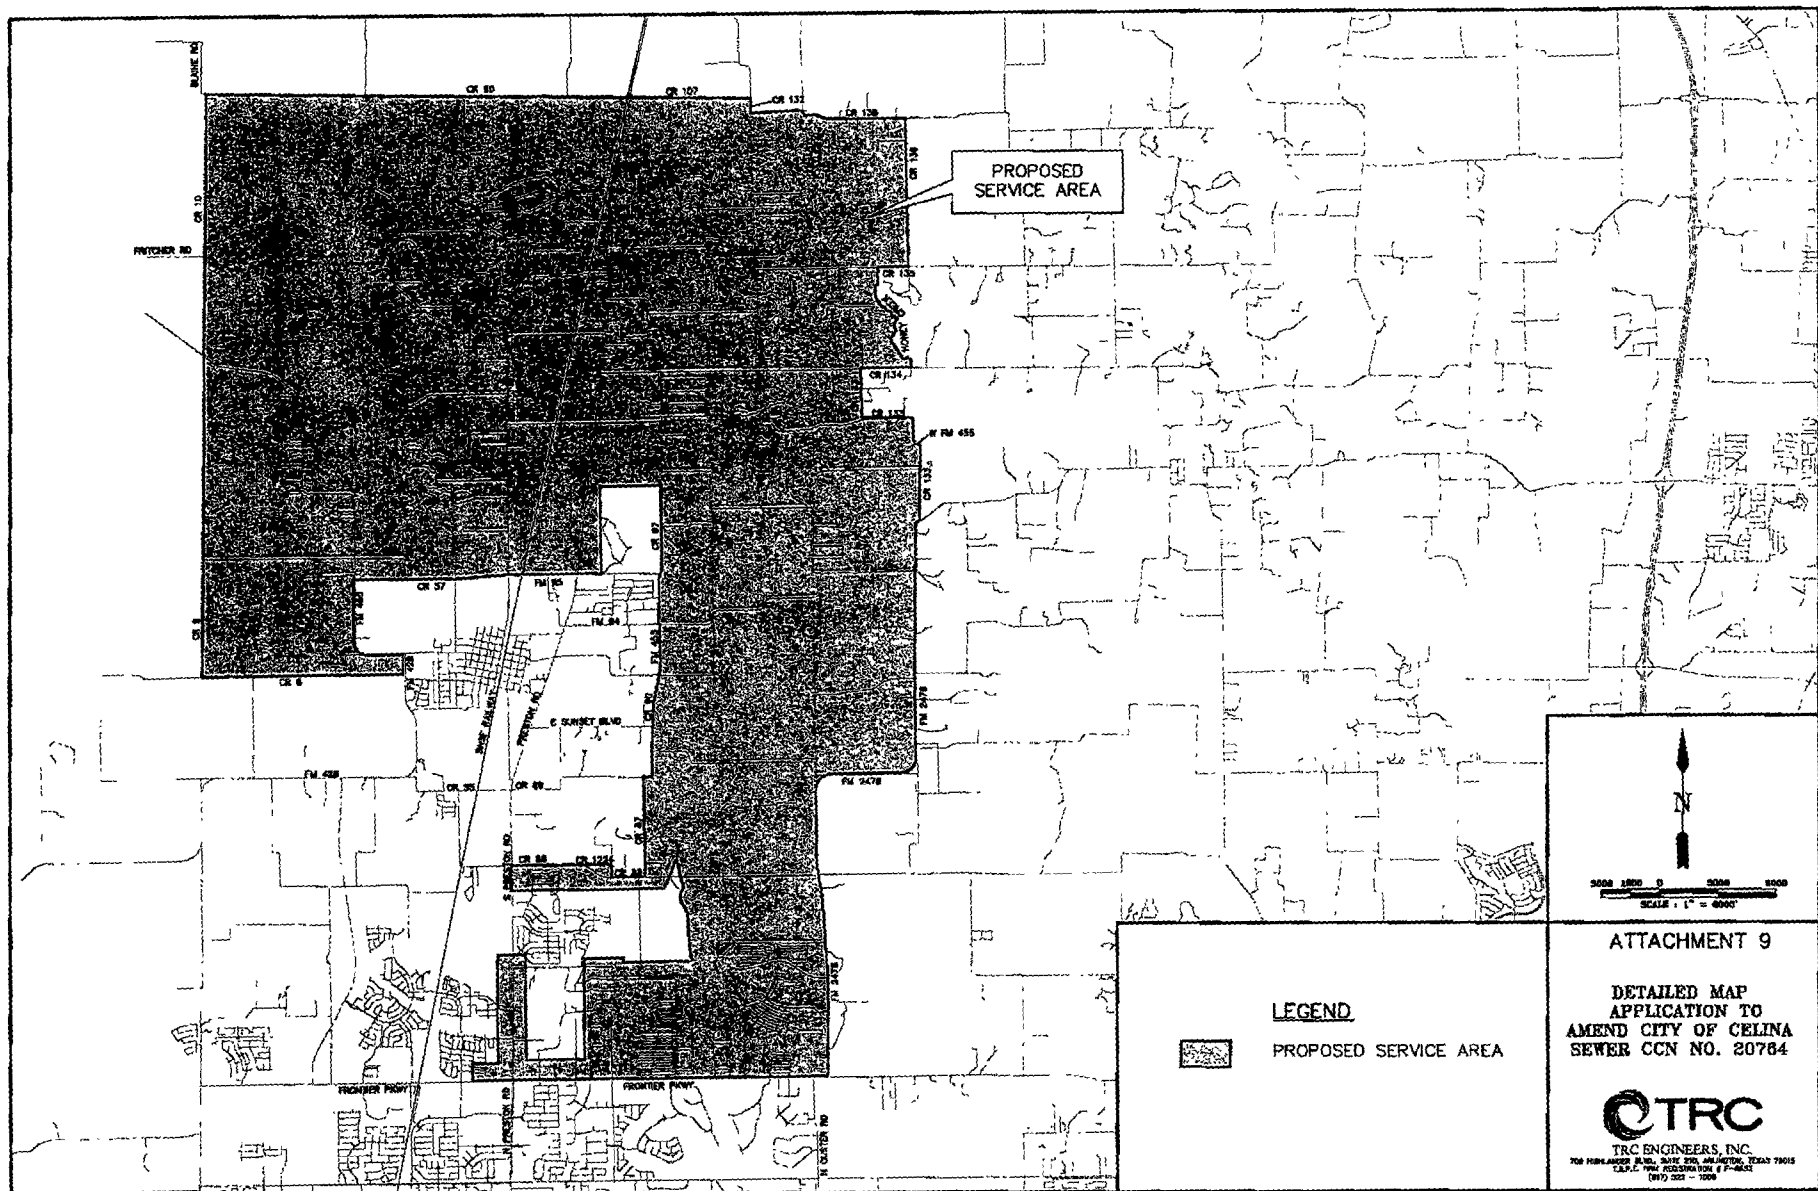

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the applicant. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.

Persons who wish to request this option should file the required documents with the:

Public Utility Commission of Texas  
Central Records  
1701 North Congress Avenue  
P.O. Box 13326  
Austin, Texas 78711-3326

In addition, the landowner must also send a copy of the opt-out to the applicant. Staff may request additional information regarding your request.

Date Notice Mailed: Aug 27, 2018

City of Celina filed an application with the Public Utility Commission of Texas to amend its sewer CCN No. 20764 in Collin County, Texas.

The requested area is located approximately .75 miles north, east, and south of downtown Celina, Texas, and is generally bounded on the north by Collin and Grayson county line; on the east by Honey Creek; on the south by Frontier Parkway; and on the west by Collin and Denton county line. The total area for the sewer utility service being requested includes approximately 28.806 total acres of land and 0 current customers. **See enclosed map of the proposed service area.**

*Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.*

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

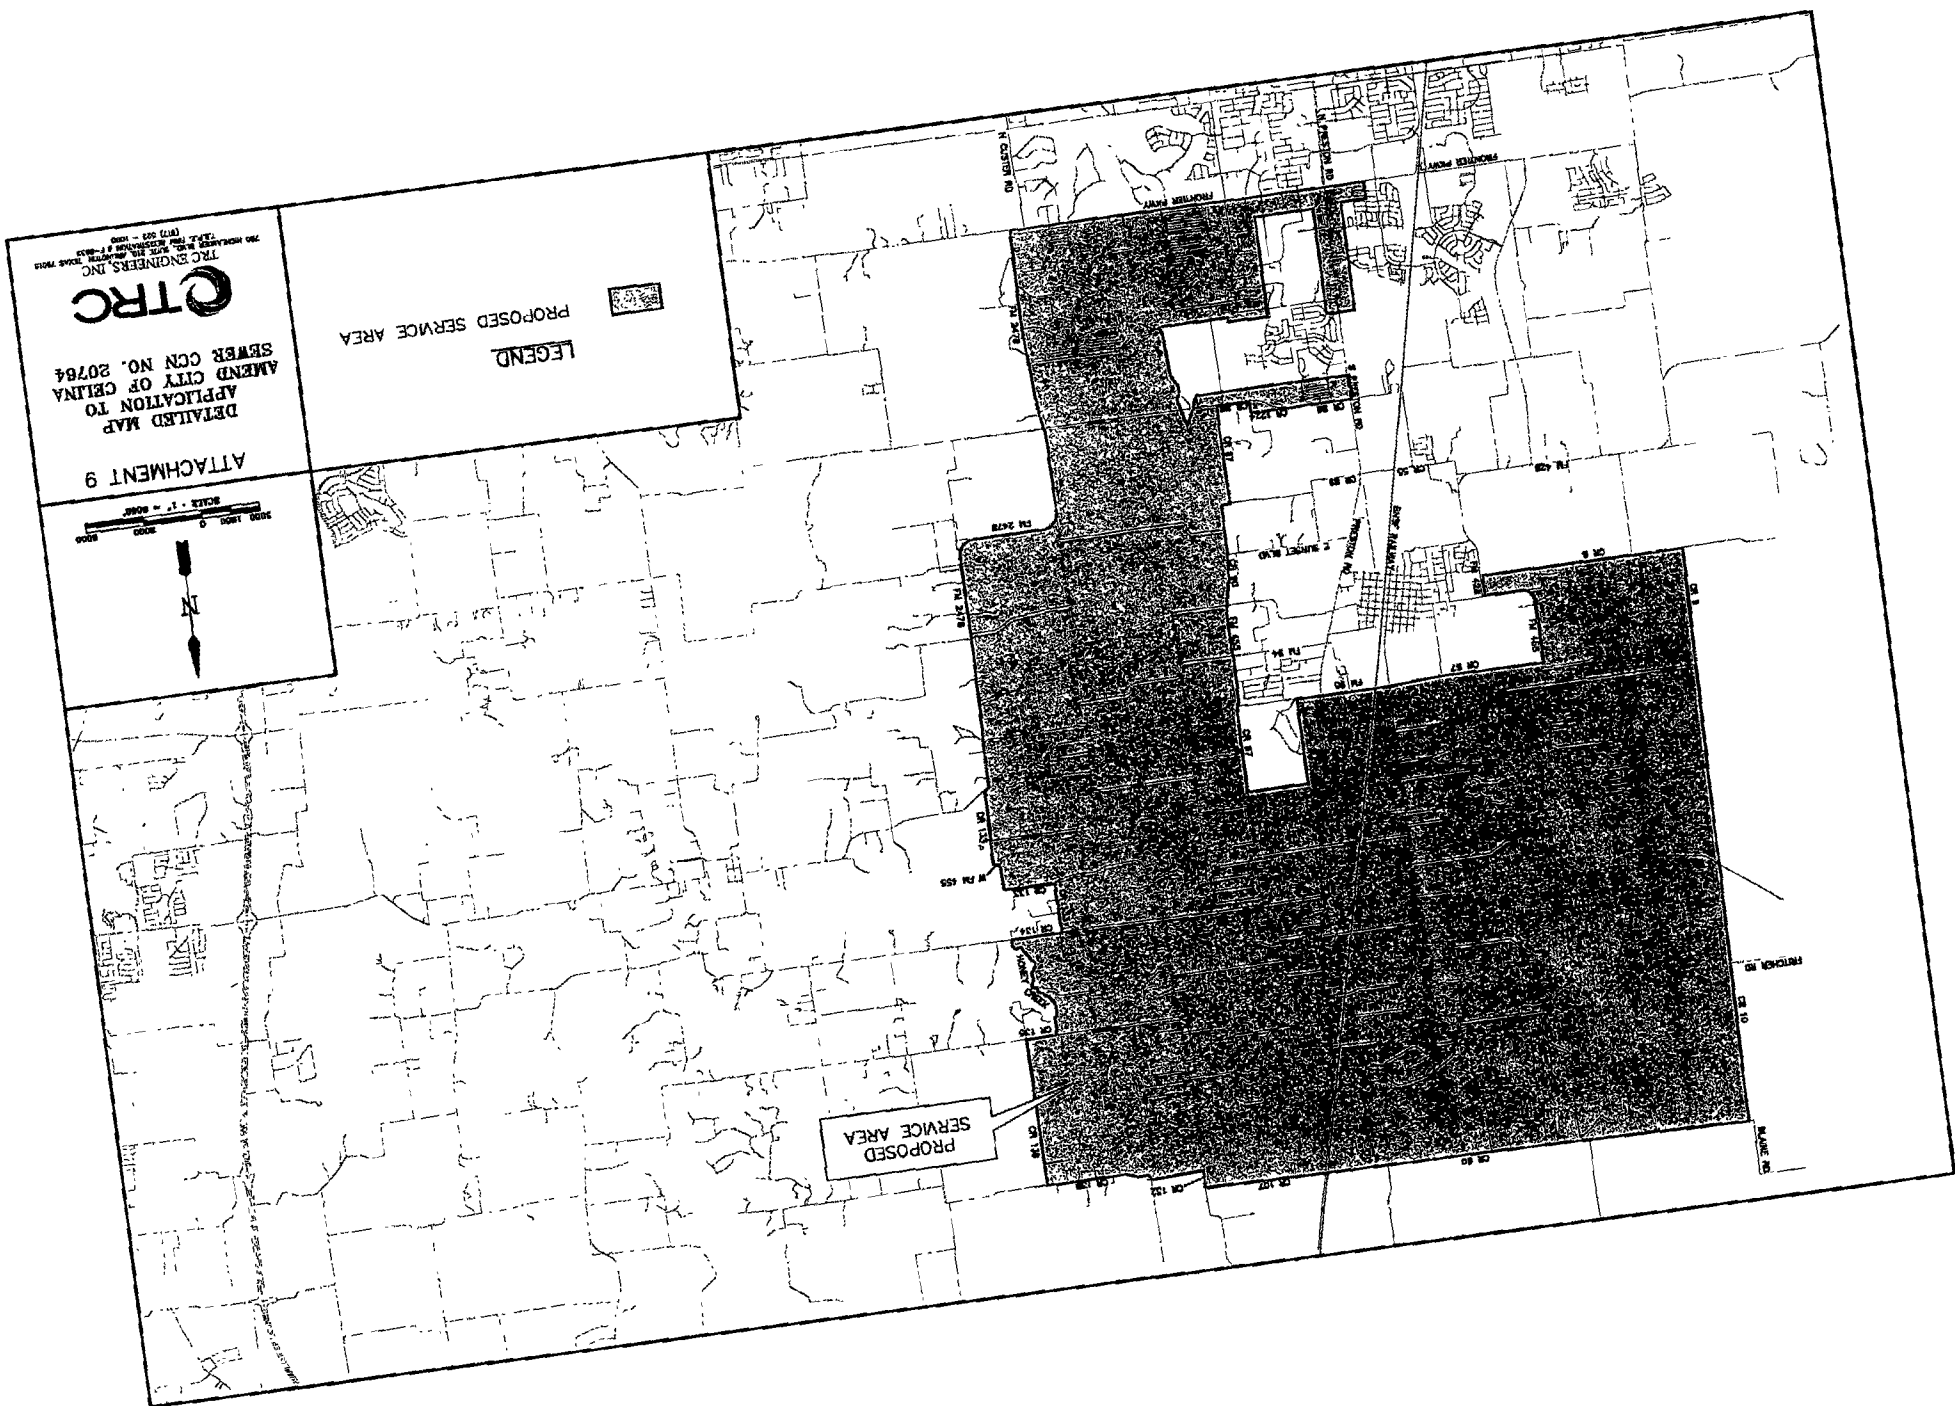

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the applicant. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.
