COMMISSION STAFF'S REQUEST FOR AN AMENDED PROCEDURAL SCHEDULE

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Request for an Amended Procedural Schedule:

I. BACKGROUND

On July 3, 2018, the City of Celina (City) filed an application to amend its sewer Certificate of Convenience and Necessity (CCN) No. 20764 in Collin County. The requested area includes approximately 28,806 acres of uncertificated area.

On October 11, 2018, Order No. 3 was issued, finding notice sufficient and establishing a procedural schedule.

II. REQUEST FOR AN AMENDED PROCEDURAL SCHEDULE

The procedural schedule proposed in the Recommendation on Sufficiency of Notice that Staff filed on October 9, 2018, failed to include a deadline for the city to file revised mapping and digital data in response to landowner requests to opt out from the proposed service area. Staff therefore requests the following revised procedural schedule.

Event	Date
Notice completed	September 14, 2018
Deadline to intervene	October 15, 2018 ¹
Deadline for Applicant to file revised mapping and digital data in response to landowner requests to opt out from the proposed service area	November 9, 2018
Deadline for Staff to provide final maps, certificates, and tariffs (if applicable) to Applicant for review and consent	December 14, 2018
Deadline for Applicant to file signed consent forms with the Commission	December 28, 2018
If no hearing is requested, deadline for Staff to file a final recommendation on the Application	January 4, 2018
If no hearing is requested, deadline for parties to file joint proposed findings of fact and conclusions of law	January 11, 2018

The only change from this schedule and the schedule adopted in Order No. 3 is the addition of a deadline for the City of November 9, 2018.

III. CONCLUSION

For the reasons discussed above, Staff respectfully requests that the proposed procedural schedule be adopted.

¹ Pursuant to 16 TAC § 24.235(a)(3), the intervention deadline is 30 days after the mailing or publication of notice, whichever occurs later. Notice was mailed on August 27, 2018, and published on September 7, 2018, and September 14, 2018. Therefore, 30 days after September 14, 2018, (latest date) is October 14, 2018. However, the Commission is not open for business on that date. Consequently, 16 TAC § 22.4 dictates that the deadline runs until the end of the next day on which the Commission is open for business, which is Monday, October 15, 2018.

Dated: October 12, 2018

Respectfully Submitted,
