**SOAH ORDER NO. 4  
ADDRESSING MOTION TO AMEND PROCEDURAL SCHEDULE**

On June 14, 2019, Texas-New Mexico Power Company (TNMP) filed a motion to extend certain deadlines in the current procedural schedule to allow parties additional time to review discovery responses and conduct settlement discussions. The undersigned Administrative Law Judge is willing to grant a motion to amend the procedural schedule along the lines proposed by TNMP, except that the ALJ will not be available the first two weeks of September 2019, and has other hearings scheduled for the following week. Therefore, TNMP should re-confer with the parties and, as soon as possible, file a revised proposed procedural schedule that would set the hearing for this docket during the week of September 23, 2019, or later.
