APPLICATION OF W.E. VLASEK FOR § BEFORE THE STATE OFFICE OF PUBLIC UTILITY COMMISSION
AUTHORITY TO CHANGES RATES § FILING CLERK
§ ADMINISTRATIVE HEARINGS

**W.E. VLASEK'S RESPONSE TO COMMISSION STAFF'S
SECOND REQUEST FOR INFORMATION TO W.E. VLASEK
QUESTION NO. STAFF 2-1**

Pursuant to Chapter 16, et. seq. of the Texas Administrative Code, §22.144 ("TAC"), and Rules 190-198 of the Texas Rules of Civil Procedure, W.E. VLASEK hereby submits and serves this response to the Commission Staff's Second Request for Information to W.E. VLASEK, Question No. Staff 2-1. W.E. VLASEK will supplement his responses should he become aware of any additional responsive information. W.E. VLASEK stipulates that the following response to the Staff's Second Request for Information may be treated by all parties as if the answer was filed under oath.

Respectfully submitted this 28th day of May, 2019.

ATTORNEY FOR W.E. VLASEK

CERTIFICATE OF SERVICE

I hereby certify that a true and correct copy of the foregoing Response to Commission Staff's

Second RFI to W.E. Vlasek was served on the attached Service List on the 28th day of May, 2019.

**W.E. VLASEK'S RESPONSE TO COMMISSION STAFF'S
SECOND REQUEST FOR INFORMATION**

GENERAL OBJECTIONS:

(1) W.E. VLASEK objects to providing any documents, materials or any other item or matter that are in the possession and/or control of the Public Utility Commission of Texas, its staff, its attorneys and/or by any state or other agency to which they have equal access as W.E. VLASEK.

(2) W.E. VLASEK objects to any request that either requests or requires it to create documents, lists, charts or other materials that are not currently in existence and/or which are not in its possession or which are equally accessible to the Public Utility Commission of Texas, its staff, attorneys and/or by any state or other agency to which they have equal access as W.E. VLASEK.

(3) W.E. VLASEK objects to any request that requests documents, materials and information that is beyond the scope of the issues in this case, and which are not subject to the company's control or possession.

(4) W.E. VLASEK objects to any request that requests documents, materials and information that are not relevant to the issues in this case and/or which will not lead to the discovery of relevant information.

(5) W.E. VLASEK objects to any request that seeks information, documents and materials that cover the time period that is beyond the test year in this case, and that is beyond the period of known and measurable changes in this proceeding.

The General Objections apply to each and every Response by W.E. VLASEK to the PUC Staff's Second Request for Information as if set forth fully within the Response.

CONDITIONS TO RESPONSE:

1. W.E. VLASEK's responses are based on the present knowledge of his managers and officers, and employees after a reasonable investigation and a reasonable interpretation and construction of the request in providing these responses.

2. W.E. VLASEK reserves the right to redact any portion(s) of otherwise responsive and non-privileged documents that contain irrelevant, non-responsive or privileged information.

3. W.E. VLASEK will supplement his responses if, and when such may be required by applicable

discovery rules to this case, if necessary.

4. Any responses that W.E. VLASEK will produce documents and/or materials are limited in scope to the degree that the documents and/or materials exist, and are in the possession and/or control of W.E. VLASEK and/or reasonably available to W.E. VLASEK.

Without waiving these objections, and subject to the afore-said objections and conditions, W.E. VLASEK responds to the PUC Staff's Second Request for Information as follows:

Staff 2-1 Provide copies of invoices and documentation such as work orders which support the items listed on the depreciation schedules, specifically those assets installed from 2014 through the test year.

RESPONSE: Copies of available invoices supporting the assets listed in the depreciation schedule can be found in Attachment 2-1. Invoicing could not be found for other items listed in the depreciation schedule. Trending analysis was used to determine the value of these assets at the time of installation.
