This Order addresses the application of Bluebonnet Hills Water Supply Corporation and the City of Cresson (collectively, applicants) for approval of a sale, transfer, or merger of facilities and certificate of convenience and necessity (CCN) rights in Parker County.

The ALJ finds the application incomplete and deficient. The Commission does not consider applications filed until it has made a determination of administrative completeness; thus, at this time the application is not considered filed with the Commission.

On or before February 20, 2019, Commission Staff is required to file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.
