Please see the updated Notice of Proposed Rate Change and Affidavit to the Class B Rate/Tariff Change Application- Docket 48697. The last notice and affidavit submitted and received on 4/17/2019 did not include the correct notice showing the proposed increase amount we sent out to customers prior to March 15, 2019 and was an office error on what was sent to the PUC. The notice that was sent out to customers did have the corrected \$96,086 at a 53% increase. Please find everything attached with amounts and affidavit updated. Thank you.
