RE: Agreement Letter for **Docket No. 48714**

To The Public Utility Commission of Texas,

This letter responds to the Staff's Seventh Recommendation on Administrative Completeness dated March 11, 2020 regarding Docket No. 48714. The City of Edinburg submitted revised maps and digital data on October 25, 2019 that included a requested transfer area of approximately 258 acres. Thereafter, the City of Edinburg (CCN No.12106) and North Alamo Water Supply Corporation (CCN No. 10553) entered into a Buyout and Transfer of Service Area Agreement to reflect the transfer of the approximately 258 acres shown in the revised maps and digital data. The City submitted this agreement on January 28, 2020. The list of transferred acres is below and also can be found on Page 2, Section 3 of the Agreement.

Map A, Section 1 ARGUINDEGUI COMMERICAL SUBDIVISION **5.137 AC**

Map A, Section 2 BOYS AND GIRLS CLUB SUBDIVISION **53.252 AC**

The City hopes this letter clarifies any confusion regarding the revised maps and data and the Agreement, and that the City's application can be found administratively complete.
