ORDER NO. 16

**FINDING APPLICATION ADMINISTRATIVELY COMPLETE, WAIVING
NOTICE REQUIREMENTS, AND ESTABLISHING A PROCEDURAL SCHEDULE**

This Order addresses the administrative completeness of the application filed by the City of Edinburg to amend its water certificate of convenience and necessity to incorporate areas it currently serves and decertify a portion of North Alamo Water Supply Corporation's water service area in Hidalgo County.

The administrative law judge finds the application administratively complete.

Under 16 Texas Administrative Code (TAC) § 24.259(c), a municipality that intends to provide service to an annexed area is required to notify the current CCN holder of its intent to serve the annexed area. Edinburg has not filed documentation demonstrating that notice was sent to North Alamo. However, Edinburg and North Alamo have entered into an agreement as allowed by 16 TAC Code § 24.259(d). In the ninth recommendation on administrative completeness of the application filed on July 27, 2020, Commission Staff recommended that the notice requirements be waived because North Alamo has agreed to the decertification of the portion of its CCN that is covered by the agreement. The administrative law judge determines that the need for notice contemplated by 16 TAC § 24.259(c) has been satisfied by the fact that North Alamo is aware of, and does not oppose, the application.

The following procedural schedule applies:

Event	Date
Deadline for Commission Staff to provide final maps, certificates, and tariffs (if applicable), to Edinburg and North Alamo for review and consent	August 31, 2020
Deadline for Edinburg and North Alamo to file signed consent forms with the Commission	September 14, 2020
If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application	September 21, 2020
If no hearing is requested, deadline for parties to file joint proposed findings of fact and conclusions of law	October 5, 2020

Signed at Austin, Texas the 28th day of July 2020.
