Dear Public Utility Commission of Texas,

This letter was created to clear up any questions as to why I am requesting the Streamlined Expedited Release.

The Docket Number assigned to this is: 48727. The formal request was sent by Certified Mail on 9/26/18.

I am requesting to "opt out" of Tri-Community Water Supply Corporation. They are not able to economically service my property located at 16555 FM 20, Kingsbury Tx 78638. I am requesting that Crystal Clear Special Utility District be allowed to service this property.

Respectfully yours,

Charmaine Mirander Wilke
