**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT; AND ESTABLISHING
AN OPPORTUNITY TO CURE**

This Order addresses Commission Staff's November 2, 2018 recommendation regarding the administrative completeness of Shady Grove Special Utility District's application. Commission Staff recommends that the administrative law judge (ALJ) find the application deficient and provide Shady Grove an opportunity to cure the deficiencies described in the recommendation.

The ALJ finds the application incomplete and deficient. Under 16 Texas Administrative Code (TAC) § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

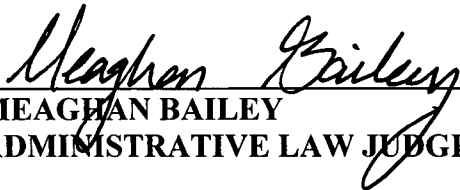

On or before December 13, 2018, Shady Grove must supplement the application to cure the deficiencies described in Commission Staff's recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed. Shady Grove must not issue notice until the application is administratively complete.

On or before January 11, 2019, Commission Staff must file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.
