DOCKET NO. 48745

COMPLIANCE FILING OF ENTERGY TEXAS, INC. RELATING TO PARTICIPATION IN SMART METER TEXAS AND CHANGES TO ITS ADVANCED METERING SYSTEM	§ § § § § § §	PUBLIC UTILITY COMMISSION OF TEXAS 2019 JAN 10 PM 1:30 PUBLIC UTILITY COMMISSION FILING CLERK
--	---------------------------------	---

COMMISSION STAFF'S LIST OF ISSUES

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Commission Staff's List of Issues and would show the following:

I. BACKGROUND

On October 9, 2018, Entergy Texas, Inc. (Entergy) filed an application to initiate a proceeding to determine: (1) whether and to what extent it will participate in Smart Meter Texas; (2) what changes, if any, should be made to its web-based customer interface; and (3) whether and to what extent it should provide third-party direct access to customer advanced metering system data.

On January 3, 2019, Commission Advising filed an order stating that Commission Staff and any other interested party may file a list of issues by January 10, 2019. Therefore, this pleading is timely filed.

II. ISSUES TO BE ADDRESSED

1. Should Entergy be required to participate in Smart Meter Texas?
2. If the answer to question 1 is "no," then does Entergy's proposed web-based customer interface reasonably address the applicable requirements for access to advanced metering system (AMS) data? 16 TAC § 25.130.
3. Should Entergy's proposal to provide third-party direct access to AMS data be approved as reasonable and consistent with industry security standards and Commission rules?

Respectfully Submitted,

**PUBLIC UTILITY COMMISSION OF
TEXAS LEGAL DIVISION**

Margaret Uhlig Pemberton
Division Director

Katherine Lengieza Gross
