***Re: Compliance Filing of Entergy Texas, Inc. Relating to Participation in Smart Meter
Texas and Changes to its Advanced Metering Systems
SOAH Docket No. 473-19-1841, PUC Docket No. 48745***

Dear Judge Siano:

During the prehearing conference held on January 23, 2019, parties requested to defer the adoption of a procedural schedule in order to discuss a resolution of this case. The parties further agreed to provide monthly status reports on resolution. In SOAH Order No. 2 memorializing the prehearing conference, parties were ordered to provide a status report by February 28, 2019 and the last day of each month thereafter, until further ordered.

Pursuant to Order No. 2, the parties have held discussions and are working toward resolving this matter. Further, ETI is responding to additional discovery in the above-referenced docket. The parties will provide their next status report on May 31, 2019.

Please do not hesitate to contact me with questions.

Sincerely,

Wajiha Rizvi
