Re: SOAH Docket No. 473-19-1841, PUC Docket No. 48745, *Compliance Filing of Entergy Texas, Inc. Relating to Participation in Smart Meter Texas and Changes to its Advanced Metering Systems*

Dear Judge Siano:

During the prehearing conference held on January 23, 2019, parties requested to defer the adoption of a procedural schedule in order to discuss a resolution of this case. The parties further agreed to provide monthly status reports on resolution. In SOAH Order No. 2 memorializing the prehearing conference, parties were ordered to provide a status report by February 28, 2019 and the last day of each month thereafter, until further ordered. The parties have continued discussions during May and June with respect to the design of ETI's Customer Engagement Portal and request the continued deferral of a procedural schedule in this case.

Please do not hesitate to contact me with questions.

Sincerely,

Miguel Suazo
